

**Happy New Year to you and your family members!
MQM Canada Extends heartfelt
congratulation on the arrival of brand new**

2009

New Year's Day is the start of a fresh new year, a completely blank canvas and the chance to reflect on years gone by and resolve to make changes to improve our lives and those of others.

At the beginning of the New Year, MQM Canada offers cordial greetings and good wishes to men and women everywhere, especially those who are suffering as a result of violence and armed conflicts. MQM's greeting is one filled with hope for a more serene world, a world in which more and more individuals and communities are committed to the paths of justice and peace.
